

REMARKS

Claims 2-9 are pending in this application. Claims 1 and 10-21 have been cancelled, without prejudice. Claims 2-9 have been amended.

Applicants appreciate the Examiner's acknowledgement that claim 2 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In order to expedite prosecution of this application, Applicants have rewritten claim 2 in independent form including all of the limitations of the base claim (claim 1) and its own limitation. Claims 3 and 4 have also been amended so that they only depend on claim 2. Claims 5-9 depend on claim 4. Accordingly, claims 3-9 as amended should also be allowable because they all depend on claim 2.

Applicants expressly state that the sole purpose of the above claim amendments and cancellations is to expedite prosecution. No other implications, especially those indicated by the *Festo* cases shall be drawn on the above claim amendments and cancellations.
